

# »»» Detailed Listing Statistics

Obéo provides agents with a detailed traffic report for each property on our website. This report breaks down the traffic on a yearly, monthly and daily time frame. We also provide you with a list of the referring website traffic, so you can see which websites are bringing the most traffic to your property.

## REFERRING WEBSITE TRAFFIC

### Description:

The pie chart displays the top 15 websites that are linking to this virtual tour. The number in the graph represents the number of 'clicks' that came from each website.

**Direct** means the visitor typed in the tour URL (webpage) exactly without coming from another page, came from an e-mail link or the referring webpage was not able to be tracked.

360house.com	336(67%)
direct	151(30%)
